Flip and GO wireless charger

Wireless Fast Charger

The perfect travel charger. The Flip n Go folds flat to 3mm for easy packing and makes charging easy. Simply place your mobile on the magnet pad to hold it in the perfect place for charging (iPhone 12/iPhone Pro). For use with Androids, AirPods or other Qi enabled mobile devices, simply fold and use in the flat position.

< Thin, light, easy to fold, and very convenient to use or carry

Colour:	black
Output power:	15W/10W/7.5W/5W
Input voltage current:	9V 2A/12V 1.2A
Charging port:	type-C-interface
Materials:	aviation grade aluminium
Compatibility:	Apple Magnetic charging, Qi enable Android/Apple charging
Accessories supplied:	USB-C integrated cable
Dimensions:	122 x 83 x 71mm
Brand area:	50 x 15mm (up to 5 colours, pad print)
Features:	folds flat for travel, lightweight but highly durable
HS code:	8504409090

Zuma wireless charger

Wireless Fast Charger

The Zuma charger offers wireless charging with ease. The Zuma’s built-in magnet securely attaches to your iPhone 12 or iPhone 12 Pro, delivering easy wireless charging (from mains).

The concealed, folding stand enables you to watch movies or hold your phone at the perfect angle for browsing whilst charging. The compact, folding design makes the Zuma an ideal travel accessory.

The Zuma when laid flat is compatible for wireless charging with any Qi enabled device (iPhone 8 or above, AirPods). Simply place your device on top of the charging pad to charge.

Built-in overheating and short circuit protection to keep your device safe at all times.

Colour:	black, silver
Output power:	15W/10W/7.5W/5W
Input voltage current:	9V 2A/12V 1.2A
Charging port:	type-C-interface
Materials:	aluminium, alloy, PC, ABS
Compatibility:	Apple magnetic charging, Qi enable Android/Apple charging
Accessories supplied:	USB-C integrated cable (1m)
Dimensions:	46 x 46mm
Brand area:	25 x 8mm (1 colour)
Features:	magnetic charging with folding stand for travel
